

**The Hampshire Dome, Brazilian Art Soccer and Nashua World Cup Soccer are proud to support the 2009 Toys for Tots program!!!**

**We would like to invite you to be part of this great experience of giving and having lots of fun! Bring your kids 5 to 17 years of age to train and play with our coaches so they can have a good time while helping the less privileged kids in our community by donating a new and unwrapped toy at the time of event.**

**We will be also offering a pick up soccer game for adults from 1pm to 3pm (great opportunity for you to burn the extra calories from the Thanksgiving meal!).**
